

2024

Registrations open 3rd January 2024

<https://registration.dribl.com>

If you require any assistance please email our registrar
registrarworkersfc@gmail.com

(Please be mindful that our volunteers work and it is the holiday season so we may not reply straight away)

Our 2024 committee have spent endless hours trying to make our 2024 fee's affordable and a one stop payment for the season.

The club committee consists of 100% volunteers who give up many hours of their time every week to complete tasks to get the club on the park each week. In 2023 we had over 500 members and we expect just as many if not more this year. As with previous seasons we call on our players and players parent/guardian to assist and give assistance with the canteen and barbecue and other small tasks. This season we are asking every players parent/guardian, player over the age of 16 to donate an hour of their time before their child/their game once through the season when asked, You will not miss your/your child's game. Your time will be allocated when you or your child has a home game. To ensure we have an operational canteen (a requirement from the BDSFA) we have a paid teenager working full time in the canteen. To ensure we have a wide spread support from all members and just the same members every week we have incorporated a refundable \$20 your registration costs. This will be refunded in the day you attend canteen duties for the hour. Each time your team is on ground/canteen/barbecue duty 2 players/parents/guardians are required. Team coaches and Managers can assist with who will help. If you do not attend your \$20 will be forfeited and used towards end of year celebrations/canteen costs etc.

To register this year you will need your membership number from the Workers Club if you are under 18 you will need your carers/parents membership number this is compulsory no membership number no approval

Active Kids Vouchers Accepted

Our registration fee's have had to be increased due to a substantial increase of fee's from BDSFA , Insurance and the referee Branch.

Frequently Asked Questions

How do I register ?

Registrations are done via dribl, the direct web address is below. If you choose to go through the Dribl home page instead, then choose Workers FC as your club. <https://registration.dribl.com>

What age groups are there?

We cater for all age groups Under 5's to O35's. The age is determined on the age you turn in 2024. If you turn 10 in 2024 then you play in U10.

Where is our home ground and Club Located?

Our home ground is at Laybutt Sporting Complex.

Our address is

221 Walters Road

Arndell Park NSW

Do we Accept Active Kids Vouchers?

We do however at this stage we are in the process of obtaining the new system and are hoping to have it ready by registration.

What nights are training held?

Training nights are based in the coaches availability. Once your team is confirmed the coach will advise.

All coaching and manager roles are volunteers and generally a parent.

When is Grading held?

Grading nights will be held in early Feb to Mid Feb. We will advise times soon.

Players must be registered on dribl before they can attend grading.

What team will my child be placed in?

The team your child plays in depends on their ability and age, The decision will be made after grading.

What is grading?

We grade the players on their ability and with a grading team we try our best to place them in a division that best suits their abilities.

What days are games held?

Friday nights-

O30L

O35M

Youth

Saturday

U5 – U11 Mixed

U12 – U16 Boys/Mixed

Premier League Men

Sunday

U8 – U21 Females

All Age Women

All Age Men

Will I need to buy my playing uniform?

Shorts, Socks and jersey are all included in your rego.

This years club shorts, Jersey MUST be worn on game day!!!

Players are required to have enclosed shoes or football shoes and shin pads these are compulsory!!

Do you do background checks on committee, coaches, managers?

All members of our club – committee, coaches, managers, volunteers that interact with children under the age of 18 MUST have a valid working with children check/number.

Are games played during school holidays?

Yes games are played during the school holidays.

There is only 2 weekends that games arent played

Easter Weekend and June long weekend.

Are games played at the same location?

Games are played against other clubs and generally half your games are played at our home ground (H.E Laybutt Sporting Complex) and the half are played at the club our team is versing.

How will you know where your child/your game is being played?

A draw will be published by the association prior to the season commencing.

Your manager or coach will also advise.

Draws will be put up on Facebook

But it is your responsibility to check the draw regularly.

You can obtain this information via the dribl app

We advise that you fully utilise the dribl app
