Dear Prospective Sponsor,

Blacktown Workers Soccer Football Club (BWSFC) strives to provide opportunities for everyone in our community to participate in healthy, safe and inclusive **Soccer** activities in a fun and family orientated environment.

Who are we?

The club is not for profit and is managed by dedicated volunteer staff, all of who tirelessly provide their skills, time and assistance to ensure the club can offer a variety of structured programs.

How are we funded?

As we are a local community sports club, our major source of revenue is generated from membership fees and donations received from generous individuals & businesses.

These funds are then reinvested into the club for the benefit of all members.

What makes our club great?

It is our aim to cater for the social and competitive needs of our members, develop the full potential of participants, be aware of the diversity of our community and play the game with spirit in a fair and sporting way. But most of all it was about having fun in an environment that is safe and supportive.

Kind regards,

Jason Notley
